OFFICE OF THE SECOND MEMBER OF COUNCIL. 7 JULY 1937 NO 97

9. The representation of Mr. G. Madhavarao is for perusal. It does not seem likely that the prospective vacancy which would arise by the retirement of Mr. S. Venkataramayya in Feb[y] 1938 will be available for a non-civil Service Officer. Other Arrangements will have to be thought of in that connection. Mr. G. Madhavarao has been a very useful officer in the Insurance Office and it would be in the interests of the Service to retain him there and give him a better grade so as to make it worth while for him to remain there.

To

The Chief Secretary
to the Government of His Highness
the Maharaja of Mysore,

Through

The Secretary, Mysore State Life Insurance Committee,
Bangalore.

Sir,

I have put in a total service of nearly 23½ years of which 9 were in the Income-tax Department where I was appointed a non-Civil Service Assistant Commissioner in 1923. I was transferred from there, as a measure of retrenchment, to the general cadre of Assistant Commissioners from where I was again shifted to the Insurance Department as Deputy Secretary in 1932.

The appointment of Deputy Secretary is the highest and the only Gazetted one in this Department and the pay of the appointment is Rs. 250-25-450, though Government were kind enough to sanction me a personal pay of Rs. 500 in April 1935. Unless once again something is sanctioned to me personally or the scale of pay is itself altered, I have nothing to look forward to during the remaining 7½ years of my service.

Being a non-Civil Service Assistant Commissioner in the Income-tax Department and being only second in seniority then, I naturally expected some scope for improvement of my status and emoluments in that Department or in any of the Departments under the Excise Commissioner; but my permanent transfer from that Department seems to have precluded me from that expectation. I venture to think that I gave complete satisfaction in my work under the several officers I served in the Income-tax Department.

Now that the appointment of Deputy Commissioner of Income-tax is likely to fall vacant in February next, I pray that I may

may kindly be drafted back to that Department with some increase to my present emoluments. I may kindly be pardoned if I presume to think that if I were continued in that Department (transfer therefrom not being due to any deficiency on my part), my claims for the appointment would have been duly considered by Government.

Hoping that my prayer will be sympathetically considered,

I beg to remain,

Sir,

Your most obedient servant,

Bangalore,

Dated, 11-6-1937.
